Show 3 - Volunteers need to arrive at 8:30am to set up and organise for the show. Our volunteers must be happy to spend the morning with slightly tired but still excited dancers, you need attention to detail to ensure that costumes and accessories are still in pristine condition for Show 4.

PHOTO DAY

Sunday 1 November, Friday, 6 November, Saturday, 7 November

We LOVE Photo Day! Each class group gathers at their allotted time for a group photo as well as individual shots in their performance costumes. The sitting fee for this day is included in your Performance Fee. Photos can then be purchased direct from the photographer via their secure website. Our studio will be given their own password to access this images - rest assured your dancers image will not be publicly available on a website.

How does the day work?

Our photographer arrives and sets up a professional photography studio inside our studio space.

Each group arrives at their allocated time **with hair and make-up complete** as per the 'End of Year Spectacular'. Dancers are to sign in with Gunilla at the front door.

Dancers are changed into their costumes by our staff and a few helpers in the studio. Dancers are arranged into a group setting with the assistance of the photographer.

Each dancer is then given an individual photo in their costume.

We ask parents to return at the allocated pick-up time to collect their dancer.

How do we purchase our photos?

Closer to our photo day, our photographer will provide us with a website link and password. Photos are purchased direct from the photographer.

Please take care to read the schedule below to arrive at your class time. We will work as hard as we can to ensure our day runs to schedule but please be patient with us if delays occur.

Please note: Please avoid entering the car park on the Sunday if possible. The large number of dancers arriving for their photoshoot means that it would be best to keep the car park as pedestrian only on this day.

What do I pack on Photo Day?

- ◆ A small make-up touch up bag - lipstick, eyeliner, mascara
- ◆ Hair pins, hair spray, tail comb
- ◆ Safety pins
- ◆ Bottled water (no coloured drinks)
- ◆ All dance shoes - please ensure these are clean.
- ◆ Stockings if required.
- ◆ Dancers who are here for multiple sessions are encouraged to pack a small lunch box of healthy snacks. Eg. Carrot sticks, celery sticks, rice crackers, muesli bars. Please remember we are a nut free premises.

Would you like to help on Photo Day?

We need a small number of parent volunteers to assist with dressing and preparing students for Photo Day.

You would be required to assist with preparing each group for their photo and then be required to ensure all costumes are returned to the correct bag and box after each class group.

Attention to detail is a MUST as all dancers not only must look their best for their photos but it is imperative that all costumes and accessories are returned to the correct bag and box.

If this is you - drop us an email or let us know at the front desk!

- ◆ Safety pins
- ◆ Bottled water (no coloured drinks)
- ◆ All dance shoes - please ensure these are clean.
- ◆ Stockings if required.

Would you like to help on Photo Day?

We need a small number of parent volunteers to assist with dressing and preparing students for Photo Day.

You would be required to assist with preparing each group for their photo and then be required to ensure all costumes are returned to the correct bag and box after each class group.

Attention to detail is a MUST as all dancers not only must look their best for their photos but it is imperative that all costumes and accessories are returned to the correct bag and box.

If this is you - drop us an email or let us know at the front desk!
